## **NEED HELP?**

**We can arrange Tool Box  
Talks for your installers  
on specific anchors!**

Please note anchor testing only confirms the integrity of the anchor installation and not the system it's supporting.

## **FOLLOW OUR STEPS:**

- 1.** Complete our 'Anchor Test Request Form' by scanning the code above.
- 2.** We will contact you to confirm your Anchor Test booking, or to discuss your requirements further.
- 3.** Follow our checklist to ensure you have everything in place prior to your anchor test.
- 4.** We will contact you on the day of the test to ensure everything is ready.
- 5.** Our CFA Approved Anchor Tester will attend site at the scheduled time and date to conduct the test.
- 6.** Your anchor test report and certificate will be emailed to you within 24 hours.
