Black Correx Sheets

Correx Sheets can be used for a number of internal or external applications, to protect floors, walls, doors, ceilings and windows against knocks, scratches and spills. They are lightweight, flexible, durable, 100% water proof and resistant to chemicals, plus are constructed with special flutes that provide excellent impact protection.

These sheets are easy to cut, bend and score so are quick to shape and install on site, as well as being re-useable.

Available in a size of 2mm x 1.2m x 2.4m.

Technical data supplied by the manufacturer.
