Product Model Festoon Lighting Kit

Festoon Lighting Kits are an ideal solution for lighting walkways, scaffolding or other areas of construction sites. Their construction ensures that the Festoon can be used indoors and outdoors. With the use of a splitter box, other Festoons Kits can be linked to form a longer chain of light.

10W polycarbonate LED bulbs remove the risk of breakages. Drop tested to 2m. Light spread 180°. IP44 rating. Colour temperature 6500K. 8000 Lumens. Recommended for indoor use.
